

The wheels on the bus go  
round and round  
All through the town...

THANK YOU!

Your donation this past spring has had a big impact on our residents this summer!

Because of your kind gift, you've made it possible for the residents of St. Pat's to go on more enriching and engaging outings on our Yellow Seniors' Bus. Earlier this spring, our recreation team, with input from residents, came up with a wish list for activities to do this summer.

We're pleased to report that, thanks to you, many of these outings have taken place and our residents are having a great summer! Our Social and Community Engagement program is a crucial part of our residents' lives here at St. Pat's. Your gift provides social outings and experiences that enhance the emotional, physical and mental health of the ladies and gentlemen of St. Pat's. You're creating a sense of community and belonging, inspiring new friendships and, of course, you're bringing joy and excitement to our residents!

Many thanks!

Residents enjoying an afternoon baseball game at a suite at the Ottawa Champions stadium - made possible with your donations. Thank you!

We'd love to hear from you! If you would like more information about the impact of your donation, have any questions, or would like to drop by to visit the home for a tour & a cup of coffee, please contact:

Sarah McKinnon, Development Manager

# Summertime Fun!

Despite the heat, our residents have been able to get out and about to enjoy all that Ottawa has to offer at this time of year, including:

- A trip to the Ottawa Champions Baseball game and a visit with Champ, the mascot (pictured at left)
- An afternoon at the Perth Theatre to see a show called "Mrs. Warren's Profession"
- The Barrhaven Classic Car Show (pictured at left)
- High Tea at Billings Estate (pictured at left)

The smiles and laughs from these outings are thanks to you and your contributions as a loyal donor to St. Patrick's Home Foundation.

*"Donor support allows the team to plan activities and events tailored to meet the residents' specific needs."*

*Funds cover transportation, admission prices, and medical support staff. These outings highlight many first experiences for our residents, and bring an immeasurable amount of happiness to everyone."*

- Kathy Thompson  
Manager, Recreation  
& Volunteer Services

*With a few weeks of summer still to go, we're looking forward to more outings, including Mosaiculture.*

The Social & Community Engagement Program has many objectives: to give residents a sense of well-being, to develop and demonstrate social, emotional, and communications skills and to provide an experience that enhances emotional and personal growth, builds self-esteem, and develops friendships. **All of this is possible because of you - thank you!**
